

MD MANNAN SARDER

Software Engineer | Full-Stack Developer | Android Developer

Dhaka, Bangladesh | +88 01580377122 | mannansarder00@gmail.com

LinkedIn | Portfolio | GitHub

Summary

CSE graduate with a strong programming foundation, adept at rapidly mastering new technologies to solve complex, real-world problems. Focused on delivering high-quality, practical software solutions in dynamic IT environments.

Technical Skills

Languages: JavaScript, TypeScript, Java, PHP, SQL

Web: Next.js 15, React 19, Node.js, Tailwind CSS, Three.js

Database/Backend: PostgreSQL, MySQL, Prisma ORM

Mobile & AI: Android SDK, Google ML Kit, YOLOv8, Computer Vision

Projects

MediMind – Intelligent Medical Report Analyzer

GitHub

- Built an offline Android app with on-device OCR and a custom regex-based parser for structured data extraction.
- Implemented a bilingual health base with clinical range adjustments, report comparison, and smart reminders.
- **Tech:** Java, Android SDK, Room Database, MVVM, MPAndroidChart.

RetailSync Hub – Integrated Retail & E-commerce System

GitHub

- Developed a 4-role platform featuring real-time rider tracking and an integrated POS terminal.
- Executed MySQL to PostgreSQL database migration and implemented dynamic analytics with NextAuth.
- **Tech:** Next.js 15, TypeScript, PostgreSQL, Prisma, SSE, Tailwind CSS.

Personal Portfolio Website

GitHub

- Engineered custom physics-based particle animations from scratch for high-performance visual effects.
- Integrated 3D visuals using Three.js with full SEO metadata and structured data implementation.
- **Tech:** Next.js 15, TypeScript, Three.js, React Three Fiber, Framer Motion.

Experience

Industrial Trainee (AI & Computer Vision)

Feb 2026 – Apr 2026

Robo Tech Valley, Dhaka

- Developed a real-time fruit freshness detection system using YOLOv8 and Computer Vision.
- Engineered a data pipeline for model training and deployed an inference dashboard for monitoring.

Education

B.Sc. in Computer Science & Engineering (CSE)

Graduation: 2026

Green University of Bangladesh

Higher Secondary Certificate (HSC)

2020

Narail Govt. Victoria College – GPA: 5.00

Training & Courses

Graphics & Web Design — NIYD | Graphics Design (SEIP) — Narail TTC | Computer Basics & ICT — DYD | Digital Marketing (SEO) — DYD
